

OUR PRODUCTS

Glides:

- Ranging from 5 inches to 9 inches (body only, tail length not included), our glides are what started it all. They are slow to sink, responsive, and best ran with a non-swivel steel leader.

Cranky Suckers:

- Length is 8 inches (tail included). Slow-sinking, resin crankbait that works great on a straight retrieve or when twitched.

Heat Seekers:

- About 10 inches in length, our Heat Seekers can be purchased with a hard metal tail or a soft tail. Best used with slow pulls and long pauses.

Game Over Jigs:

- Our Game Over Swim Jigs are 10 inches in length, weedless, slow-sinking, and come with 2 8/0 hooks.
